Verification
Mission

% of the Fund's
total investment:

16.1%

This thematic area seeks to strengthen the reintegration pathway for the signatories of the 2016 Agreement, with a focus on sustainability, thereby promoting their effective inclusion in the social, political, and economic dynamics of civil life. It aims to encourage coexistence, reconciliation, and non-stigmatisation. Specifically, this area prioritises three main strategic lines:

1.1 Support for the structuring, implementation and sustainability of reintegration projects with a community, gender and environmental focus that promote reconciliation and economic development.

120 COLLECTIVE

reintegration projects, bringing together 9,930 peace signatories, received technical assistance and financial support.

6,209 FEMALE

signatories are part of reintegration plans and programmes with a gender focus. 163 of them are disabled.

1,238 INDIVIDUAL

reintegration projects supported.

49%

of the productive units have experienced a significant increase in their income.

50% OF COLLECTIVE

production projects are led by individuals from black, Afro-Colombian, Raizal, and Palenquero (NARP) communities and/or indigenous groups.

44% IMPROVEMENT

in the organisational capacities of cooperative groups.

More than

38 COOPERATIVES

and associations belonging to peace signatories strengthened with a resource transfer of more than \$829,000 USD.

53 SUSTAINABILITY

plans were developed.

13 PRODUCTION

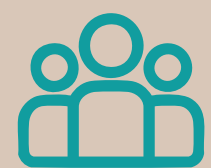

projects are implementing value-adding actions as part of their sustainability plans.

19% INCREASE

in productivity in sustainability projects linked to reintegration.

1,231
men

489
women

participating in individual or collective production projects have been strengthened in sustainability-related areas.

30 EMPOWERMENT

♀ ventures involving **308** female signatories were supported in productive areas such as services, small livestock, and agriculture.

20 PRODUCTION

♀ projects with equal participation of women and men in the management committees of cooperative organisations.

30 PARTNERSHIPS

with public and/or private institutions, geared towards the implementation of commercial processes.

9,629 PEACE

signatories participated in social reintegration plans and programmes financed by the Fund.

2,916 FEMALE

♀ signatories participated in reconciliation processes.

20 INITIATIVES

led by 85 CSOs promoted community reconciliation and peaceful coexistence, helping to strengthen ties between signatories, neighbouring communities, and victims. These initiatives focused on the following areas:

- ✦ **5 strengthened** production capacities
- ✦ **7 used** art as a strategy for reconciliation
- ✦ **3 developed** action plans for the sustainability of territorial peace
- ✦ **5 focused** on protective environments and the transformation of cultural narratives.

1.2 Providing comprehensive psychosocial support with a gender focus as a fundamental part of reintegration processes

478 YOUNG

people undergoing the reintegration process have access to psychological support services to improve their autonomy, coexistence and reconciliation.

617 FATHERS, MOTHERS, AND CAREGIVERS

have adopted good parenting practices for early childhood.

3.078 WOMEN

♀ have come to understand the importance of the care economy by strengthening trust-building processes within their families, working towards the recognition, redistribution, and representation of care responsibilities. This has helped to ease their daily care burdens, representing a clear improvement in quality of life with a positive impact on mental health.

1.3 Strengthening education and training programmes for work, soft skills and economic inclusion.

5,089 SIGNATORIES

of whom 1,940 are women, trained in technical and soft skills.

6,209 FEMALE

♀ signatories participated in social reintegration plans and programmes.

502 FEMALE

♀ signatories strengthened their abilities to generate income and earn economic independence.
